

## Diploma Divide Bibliography (updated 02/08/24)

This bibliography represents studies from political science, sociology, psychology, political philosophy, and media studies that I have found useful in understanding the diploma divide in American politics. If your work is not represented and you think it should be, definitely let me know. Also if you think I've overlooked something important! Many thanks.

100 days into the Trump era, working-class 'searchers' who voted for him are having doubts, open to appeals. (2017, April). *Working America*.
